Institutions of Excellence					
1.	UPL University of Sustainable Technology	Category (ii)- Promotion of Education	Indirect	Ankleshwar, Gujarat	UPL University of Sustainable Technology, established by Ankleshwar Rotary Education Society (ARES), offers world-class technical education and consultancy. It began in 2011 with SRICT, affiliated to GTU and approved by AICTE. Since June 2021, it is a State Private University under Gujarat's Private Universities Act. The campus includes SRICT, SRICT-ISR, and the Centre of Excellence – Process Safety. Capital Infrastructure support - To deliver world-class technical education, robust infrastructure is essential. SUPERFORM Chemistries Limited will support this initiative by funding the digitalization of the library—including e-resources, digital cataloging, and access systems—as well as the provision of office tables and chairs for newly appointed faculty, replacement of old furniture, and supply of computers and related equipment to meet UGC requirements and enhance learning environments.
