

UPL Wins Triple Global Recognition at Vision Awards 2024-25 for Excellence in Annual Reporting

Mumbai, 30 March 2026: [UPL](#) has earned three prestigious international recognitions at the 2024-25 Vision Awards Annual Report Competition organised by the [League of American Communications Professionals \(LACP\)](#). The accolades highlight UPL's excellence in annual report communications for FY 2024-25 and reaffirm its commitment in transparent, high-quality and stakeholder-centric reporting.

UPL's FY24-25 Annual Report received the Gold Award, Global Top 100 Reports Ranking and Technical Achievement Award, reflecting the company's continued leadership in delivering transparent, high-quality and impactful corporate reporting.

The 2024-25 Vision Awards drew nearly [1,000](#) participating organisations across industries and geographies. The submissions were evaluated on first impression, narrative clarity, financial disclosure, creativity and communication effectiveness.

The award-winning report was developed in collaboration with Stirrup Communication Consultants, whose expertise supported the delivery of a globally benchmarked reporting framework.

Bikash Prasad, Group CFO, UPL Limited, said: *"These recognitions reinforce our commitment to transparency, accountability and delivering high-quality communication. The global agriculture sector is undergoing a fundamental shift, from traditional crop protection toward more sustainable, digitally-enabled and biologically-driven solutions. Over the past year, UPL has sharpened financial discipline, strengthened profitability, enhanced balance-sheet resilience and reinforced strong governance, while continuing to align our portfolio with these long-term industry trends.*

Our annual report reflects not only financial performance but also how we are enabling climate-smart farming, supporting food security and partnering with growers as they transition to innovative, science-based solutions. These awards motivate us to further elevate our reporting excellence and strengthen our position as a global leader in sustainable agriculture."
